

## Art Department II

Announcing **Art Department II**, a CGM medical clip-art library. Includes systemic, skeletal, internal, and external anatomical views. Detailed drawings provided in color (or may also be used in black & white). Individual objects may be edited for maximum flexibility. Use **Art Department II** with **Presentation Express II** or **35mm Express** and create spectacular 35mm slides, paper handouts, and overhead transparencies. This is a **limited time offer**, respond before September 15, 1992 and receive **Art Department II** for just \$99, normally \$149. Act now, call for details. Tel.(617)494-1155; (800)DIAL-BPS; Fax: (617)494-8810; MCI: 329-2091.

P.S. Call BPS for more information about our multi-user network version of **Presentation Express II/LAN**.
